THE LEARNING ALLY AUDIOBOOK APP

Guide to Getting Started

Welcome to Learning Ally's human-read audiobook app. Follow these simple steps to begin your learning experience.

Installing Learning Ally Audiobooks

Install Learning Ally Audiobooks from your device's app store or from LearningAlly.org/app.

Are you installing Learning Ally Audiobooks in a school environment? Check out our <u>IT Guide and System Requirements</u>.

Using Learning Ally Audiobooks

1 Login in with your Learning Ally Username and Password. If your account is connected to a Single Sign On provider (SSO), select Sign On Through Your School Or District.

2 The bookshelf displays all of your audiobooks. Here you can view playback progress, download books, view audiobook formats and add new books.

3 To access your online bookshelf tap Add Books. Your browser will open to allow you to search for and add new books. To see your new books, go back to the app and select Update My Books.

4 Use the navigation bar to play/pause, move between levels, rewind, fast forward, adjust audio speed and access other options.

5 Add bookmarks and notes using the Add Bookmark & Notes icon. Use the device's keyboard or microphone, to type or dictate your notes.

6 Use the in-app dictionary: Press and hold a word (mobile) or double click a word (computer). Highlight, take notes and review words on a vocab list.

7 Navigate through the table of contents, jump to a page, access saved notes, bookmarks and vocabulary and customize your reading experience.

8 Share individual or multiple bookmarks, notes, and vocab words through email or by downloading a text file.

9 To delete downloaded books select Manage My Books in the Profile Menu and then select next to the book that you want to delete.
