TOGETHER IT'S POSSIBLE

Get Started Fundraising

Fundraising not only gives you the opportunity to win more prizes, but you're also helping others succeed at reading!

Set a Goal. Set an overall goal, for example \$100, \$500 or more. Or you can try asking for a small amount, such as \$5 from a lot of people.

Update Your Progress. Track your reading progress on Learningally.org and update your fundraising page everyday with pictures or videos. Ask your family to share it on Facebook, Instagram and Twitter.

Tell everyone why you love Learning Ally. Learning Ally has a library of over 80,000 audiobooks created through donors and volunteers to help you succeed.

Reading for 20 minutes each day. Get motivated by asking your sponsors what their favorite books are. Keep your device with you in the car, by the pool or near your bed. Try listening as a family!

Say thank you! Don't forget to thank each and every person that supports you and your success.
