

TEXT CONNECTIONS

4-8 Graphic Organizer

DIRECTIONS: Read or listen to a story. Under Story 1, write the title of your book with a short description. Next, think of a book that you or your class has read that is similar to Story 1. Write the title and a short description of the book. Last, write or type two to three sentences on how you think these two stories are alike.

OBJECTIVE: Make text to text connections

Accommodations:

- Rather than write a description of the book, have students draw a picture.
- Have students type their answers.
- Grade based on content, not spelling or grammatical errors.
- Have students listen to their stories on audiobook

Extensions:

- Have students also describe how these stories are different
- Have students write or type an essay based on this graphic organizer
