

A Foundation of Support.
A Lifetime of Confident Learning.

OUR MISSION is to promote personal achievement when access and reading are barriers to learning by advancing the use of accessible and effective educational solutions.

OUR VISION is for all people to have equal opportunities to learn.

For nearly 70 years, Learning Ally has been dedicated to the educational success of students who are blind or visually impaired, and those with dyslexia and related learning disabilities.

Learning Ally is revolutionizing the classroom experience for almost 200,000 students who struggle to read the printed word, providing audiobooks, education and encouragement to these students, their parents, and the 20,000 educators in nearly 9,000 schools and colleges who support their achievement. With your help, we can do so much more to develop the innovative programs and services that empower students to reach their full potential.

Do you believe all students deserve to succeed and thrive?

Do you believe every student should be able to reach their full potential?

Do you believe education is a right?

EMPOWER

Dyslexic, Blind or Visually Impaired
Students to Succeed!

**DID YOU
KNOW?**

The cost to produce each audiobook and get it into the hands (and devices) of our students is approximately \$750. We need your help to raise these funds!

LEARNING ALLY IS DEDICATED to bringing parents, teachers, and the community together to support students with print disabilities and help them reach their full potential. We cannot do this without the dedicated support of our volunteers! Our library of 80,000 audiobooks plays a vital role in enabling these students to achieve academic success.

The studios and community teams have made a commitment to collectively raise \$100,000 this year. When you give the gift of reading, we can record a college-level textbook that will help students who are blind pursue their educational dreams. We can provide access to help dyslexic students keep up with grade-level material and even develop a love of reading!

Join a team, start an individual fundraising page, and ask your friends and family to help. You can uplift countless struggling students and put them on the right track for success. Together it's possible.
